The Guest may request at the reception to extend the rental period no later than 10 minutes before the original rental period expires, provided that the extension is possible only if the Console is available at the requested time. If an extension is not possible due to unavailability, the Guest is obliged to return the Console no later than 5 minutes after the rental period indicated in the Console Rental Protocol has expired.
6. The Console may only be used within the premises of Western Camp by its Guest. It is prohibited to take the Console outside the premises of Western Camp or to hand it over to third parties (persons who are not Guests of Western Camp).
7. Western Camp permits connecting the Console to devices owned by the Guest, but prior to rental the Guest must ensure that their equipment allows proper connection and use of the Console.
8. Western Camp provides the Guest with a PlayStation account, the necessary details of which are specified in the Console Rental Protocol. A list of installed games is available at the reception. The Guest is not allowed to install new games using the provided account.

§ 3 Liability

1. The Guest is obliged to read the Console's user manual and to use it in accordance with the manual and its intended purpose.
2. The Guest should regularly monitor the technical condition of the Console and immediately report any issues with its operation.
3. The Guest is fully liable for any damage caused by improper use of the Console, its destruction (total or partial), or loss.
